STAG Young Girls

Remember how, in 1511, Ponce de León went off looking for the Fountain of Youth? Who could blame him—it would be lovely to stay young for ever! Of course, he settled for Florida, and you'll settle for Stag, won't you?

Yeah, yeah, yeah, Stag won't reverse the aging process, but it'll sure keep you young at heart, Viagra be damned! Just check out our Confessional, where teens share with you their awkward first steps into the world of sex. How does another scintillating interview with a nude college cutie sound? And our Girls on Film column will certainly come in handy while combing your local video store for some barely legal action.

This issue also happens to be packed with another spectacular collection of young ladies that'd make ol' Ponce proud. If this doesn't do somethin' for ya, than perhaps it's time to dig out your golf shoes and take a permanent vacation to the Sunshine State.

I'm an 18 year-old girl dating a guy who's a lot older than me. Nick's an old hippy. I met him at the "CD Consignment Shop." He's 46 but totally cool, with a long ponytail and a really furry moustache. When I first talked to him, he invited me to his place to listen to *Woodstock* (an actual vinyl album—I couldn't believe it!). He had a mattress on the floor of his den and there were blacklights all over. It was right there in Nick's den that I lost my cherry.

He asked me to get high with him, but I was too scared to do it. Instead I just sat back and watched him smoke. He started getting silly and I realized how cute he was. So I started dancing around, y'know, to amuse him. Nick said white glows purple under a black light, and I remembered I had on white cotton panties and a white bra. So I took off my jeans and my top and I did a dance for him, wearing only my glowing bra and panties.

He loved it! He didn't try to touch me or nothing. Actually, I had to put the moves on him to get my first kiss! But once we started making out, we both got so horny we were rolling all around the room. I could tell he had a boner, which was exciting because I'd never felt one before. He kept rubbing it against me. He wasn't pushy or anything, but he asked if I would feel it, so I did.

It sent a jolt through me—like I'd been hit by lightning or something! I felt myself get all hot and the next thing I knew, he had undid my bra and unzipped his jeans. Fuck man, we were really going at it! He wasn't wearing any underwear, and his boner was sticking straight up. He held onto my hand and taught me how to rub his dick. While I was rubbing him, I let him feel my boobs. Then his hand slipped between my legs and touched the moist crotch of my panties!

I spread my legs wide open for him. I was so turned on! His fingers fumbled with the elastic of my panties for just a second, then his hand was feeling my bare pussy! I let him finger-fuck me right away, and he was really digging in! He started off with one finger but pretty soon he was banging me with two. He pulled off my panties, took off his jeans and t-shirt, and started licking me down there! I never imagined it could feel so good to let a guy lick me there! I just let him eat till he was full, and then he gave me a big ol' kiss and wiped his wet moustache all over my face. Mmm...my pussy tasted pretty good.

He was coaxing me to give him a blowjob, and I was anxious to at least try it. I had no idea how to do it, but my friend told me about how she sucked her boyfriend once, so I did it the way she'd described. Nick was lying face up on the mattress—*Woodstock* blasting away—and I sorta bent over him, propping myself up on one elbow. He was holding onto his cock and sorta jerking it off. He brought it up to my face and told me to suck.

I did what he said, and he slipped his dick right in! I could taste his cum already. He was telling me how good it felt, and I pushed my head down till his pubic hairs were tickling my nose. He had a really big dick, and I didn't think I could fit it all into my mouth! Nick was going crazy! He started going even deeper and working it in and out. He said I was doing real good. Pretty soon he goes, "Oh shit, I'm gonna come!"and the next thing I knew, he pulled his dick out of my mouth and was spurting all over the place. His cum looked green in the blacklight, and it was spewing like a volcano! He was practically yelling for me to lick it off but I didn't go for it. Later he goes, "Yeah man, you gotta learn to eat cum if you want to be my girlfriend." He said he didn't want to force me or anything, so that's why he pulled out. But he wanted me to try it, and now I was totally willing.

We had to wait about an hour before he could get hard again. I let him finger-bang me some more and lick my pussy. He was so obsessed with me being a virgin and was practically begging for me to let him be the first guy to fuck me. He goes, "Those young guys don't know how to fuck." Then he got on top of me and started sticking his dick in my mouth again. Pretty soon he was as hard as a rock and was ready to roll! He got on his knees between my legs and tried to sneak his dick into my virgin pussy. I thought it would hurt, but he promised it wouldn't. Slowly, I felt it poking at my hole. He told me to just relax. I felt it slip into me deeper and deeper and it felt soooooooooo good! He was saying how tight I was and how fun it was to fuck a virgin. In no time, Nick was all the way inside me. He was gentle at first, but all of a sudden he started fucking me like gangbusters! As he was fucking me, he was saying how he was gonna pull out at the last second and let me finish him off orally. He was telling me to just swallow it and promised it would taste good. I was sorta scared I wouldn't like it, but he said I would.

He fucked me really hard and I knew my virginity was history. I kept thinking that any minute I was gonna have to swallow his come and I didn't think I could do it. I thought it was going to be gross.

He warned me plenty. For about five minutes he was saying he was gonna come...and by the time he finally did, I was, like, totally thirsty for it! He yanked it out of my pussy and hurried to position it over my face. I got up on one elbow and let him put his wet dick in my mouth. "Suck it, suck it!" Shit, he was cramming it all the way down my throat! Then he came.

It flooded the inside of my mouth. It was warm and thick and I could actually feel it squirting out. "Swallow it honey..." So I did. Gulp, gulp, gulp and still it kept squirting. I couldn't take it all and pretty soon his come was dripping out of my mouth. When he was done coming, he pulled his dick out and looked down at me. Later, he said there isn't a finer sight than to look into the face of a newly popped virgin with come dripping out of her mouth.

"Far out, man," was all he could say at the time.

Mind if I give the guys a few pointers on how to get young girls? I'm a bachelor in my late 30's and I'm not all that good-looking. I'm slightly overweight and my hair is thinning, but I know how to give the young girls what they want...their first orgasm.

First of all,

girls say that guys their age are in too big of a hurry, only caring about their own satisfaction. At least that's what *my* girls are telling me. I've learned that if you take a young girl out and treat her right, she'll appreciate it. Yes, it involves some game-playing, like pretending she's the only one you're seeing and that you really 'care about her'—girls want to be 'cared about,' you know. Take it slow and don't push things. I've found that barely any of the really young ones (18 or 19) have ever had anything even remotely resembling an orgasm. So give her that first one and she'll love you for it! I'll use my latest girlfriend as an example. (I've gotten into the panties of dozens of teenagers and it always happens pretty much the same.)

Jenny was 18 and a virgin when I met her. I knew she was horny and ready to give up her virginity by our second date. She teased the hell out of me by letting me touch her little tits and finger that tempting pussy of hers…but she wouldn't let me fuck her.

I invited Jenny to my apartment and started making out with her. She let me reach into her panties and touch her snatch within the first hour. Her pussy was sopping wet. I just went easy and fingered her for a long time. When I finally tried to take her pants off, she didn't even resist. (Most girls act like they're too shy to spread their legs wide open for you, so you have to coax them. I find it helps if I keep my clothes on—that way she's not so paranoid that you're just trying to fuck her.) I went down on her, licking her gorgeous twat really slowly and gently at first.

When she was fully relaxed I started spreading the lips of her cunt apart so I could get a good look at that delicious clit of hers. Ah, she had a nice one: bright pink and erect! They like it when you pull their cuntlips apart and suck their clit—the young guys don't know this trick. (It's very important to pull the lips apart.) I tongued her clit for almost an hour, but I just couldn't get her to cum.

Just having my face buried between her legs wasn't getting the job done. I knew she could cum with the right stimulation, so I suggested we use my vibrator. That's the secret weapon, men! At first she balked, so I showed it to her and let her hold it against herself and get comfortable with it.

I showed her right where to put it and slipped two fingers into that beautiful little twat of hers while she moved the vibrator around on herself. I could tell she was getting close, because I could feel slight contractions every once in a while. I helped her find 'her spot' and told her to fantasize and relax, to forget I'm there. Pretty soon she started squirming and squealing. My fingers were deep inside her cunt when she came, my face between her splayed legs. I saw everything! Her cunt and asshole started rhythmically clinching. The force of her orgasm was so intense, her juices gushed around my fingers, making little farting noises. She really got off! She was practically crying by the time it was over.

On our next date, things proceeded a lot faster. We both got naked this time and she asked me to use the vibrator again. I told her I would love to feel her orgasm with my cock, but she still didn't want to let me fuck her. It took a while, but I convinced her to just let me put my cock inside her. I promised I wouldn't 'fuck her' and that I'd wear a condom. It was fantastic! I lay on my back and she straddled me, facing my feet. She was in total control of how deep my cock went (which required tremendous self-control on my part!). My heart was racing as she lowered her sweet pussy onto my erect and oh-so-anxious shaft. At last I was all the way inside her—promising her I'd be still and not fuck her. Apparently, mere penetration isn't considered fucking to these naive girls! She clicked on the vibrator and started touching it to herself while she was impaled on my cock. Her second orgasm came much faster (and stronger) than her first a few days ago. I could feel it coming on—the inside of her cunt got hot and the cheeks of her butt got real tight. Pretty soon, she was cumming like a vixen! It was all too easy to let myself go right then too, and I came so hard I nearly blew my rubber off! The feeling of her tiny little pussy contracting around my cock was so intense I couldn't help it.

Jenny is pretty typical of the teen girls I've fucked. Give them their first orgasm and you have their endless sexual admiration. After that, it's easy to get them to suck you off, and anal sex is super-easy if she's doing herself with the vibrator. Even girls who want to stay 'virginal' think anal sex doesn't count.

If you haven't tried using a vibrator as a 'seduction tool,' you're missing out on some wild action! Nothing equals the feeling of tight teen pussy squeezing your cock for all it's worth!

Sincerely,
Edward Meese

the confessional

Who do you turn to when you want to brag about a sexual conquest or need to confess to some sleazy sex act? You turn to STAG's Confessional!

I know all about what happened to Pee Wee Herman, but sometimes when I'm in the back row of a not-too-crowded, dark theatre, I really like to pull my sweater over my lap and masturbate! I've practiced cumming quietly while my roommate sleeps across from me in my dorm room. I can slip my hand under my skirt and into my panties and no one knows anything. I mean, I hardly get any privacy at school. Sometimes I'll even go to a bad movie late at night, just so I can get a seat in the back and wait for the lights to go down.

I think I had my most embarrassing moment ever last Saturday night when I tried to buy some beer with my new fake ID. I'm eighteen but I could definitely pass for 21 when I take my hair down and wear lots of make-up. The woman on the ID looked kinda like me, or maybe what I will look like in twenty years. And she had some funny made-up name like "Ivanna Tinkle." I think I could've gotten away with it if the dorky clerk had just glanced at it, but he looked really close and started laughing so hard he had tears in his eyes. Then he confiscated the ID!

When he finally caught his breath, he asked, "How old are you, really?" I told him I was actually eighteen, and he just shook his head and chuckled. "Well, I can't sell you any beer, but may I interest you in some other items you are old enough to buy?" He gestured grandly at the rows of cigarettes behind him. Then he drew back a shower curtain hanging in the doorway next to the register and raised his eyebrows. That was the porn room. I paused to shoot him a dirty look as I walked in there for the first time. There were pictures of naked people everywhere! I actually forgot all about getting shot down. I was so happy in there! I looked at all the videos (there were anal, all male, big breasts, everything!) before taking a magazine off the shelf and closely studying each dirty picture.

Finally, the clerk poked his head in and informed me that I'd been in the room for over an hour! "You're not allowed to just stand there and read all the magazines for free—no matter how old you are!" he said nastily. Okay, here's the really dirty part that I had to write to you about. Even though this guy (who wasn't much older than me) was such an asshole, I guess all the porn had gotten me excited because I grabbed him and started making out with him! He was surprised at first, but then he was totally into it. I didn't have sex with him, but I let him feel up my boobies and I stuck my hand down his pants and squeezed his little penis. My pussy was all wet but I wouldn't let him touch it. I may have been horny, but I'm a good girl deep down.

I knew that my boyfriend had been waiting all semester to go "all the way" on prom night. I was excited about it, too, except I couldn't figure out where or when we'd get the chance, since we were supposed to go on one of those cheap sunrise cruises around Manhattan right after the prom. We left the restaurant as the prom crowd dwindled down and drove his old hatchback to the piers in New York City where we had to catch the boat. We got there much faster than we expected, leaving us nearly an hour to kill.

We had made out in the backseat before, and even though it was a tight fit, he was sure we could manage...if we could just find a quiet spot to park. He pulled over on a street with no stores, just a bunch of cute, little apartment buildings. We squeezed ourselves into the back seat, and I pulled off my lacy prom panties as he pulled his tuxedo pants down far enough to get his prick out. I laid back, lifted my skirt and we had a fun, though cramped, first time. We were both moaning and grunting loudly to impress each other. We were laughing too, because every time he thrust into me the whole car shook and his loose muffler made a LOT of noise.

Finally he came all over his already-sticky seats, and we quickly sat up to rearrange ourselves. That's when we noticed that there were at least four people standing on the sidewalk staring at us! They pretended to talk to each other, but we could tell they'd seen the whole thing! We were so embarrassed that we wiggled back into the front seats and sped away, with his pants still open!

I had to write in and tell you this story because I can't tell anyone else. My buddy Tom and I are both married men in our forties. I don't have any kids, but Tom has a nineteen year old daughter who's home from college for the summer. She's really hot, but I wouldn't think of touching her since she's my friend's daughter and I've known her for her whole life. Well, she apparently has none of these hangups. When I came by one Saturday morning to pick up Tom for our weekly golf game, she answered the door in panties and a little t-shirt. She told me Tom had overslept and was still in the shower. I sat down to wait at the kitchen table, and she sat down across from me, staring intently. "Are you the same age as my dad?" she asked me. "Yes," I answered stiffly. She was actually making me nervous. "You look a lot younger than he does," she told me. I swallowed hard and politely thanked her, joking that not having kids had kept me young. Then she padded barefoot around the table and sat in my lap! I got an instant boner and tried to adjust myself so she wouldn't feel it. Apparently she had gotten the "response" she'd been aiming for, because she giggled wryly and straddled my crotch. She was facing me, with a leg on each side, rubbing herself

along my rod, right through our clothes. She linked her slender arms around my neck and kissed me gently, tentatively. I hadn't been this excited in a long time! I mean, I've been happily married and faithful for 20 years!

She began to rub against me more urgently, moaning softly through her lips even as she kept them pressed to mine. Then she twitched and convulsed, breathing hard and grinding harder into my groin. I couldn't take any more and let loose a throbbing, messy climax, right in my pants. Her breathing returned to normal and her gyrations calmed. "Don't tell my dad," she pleaded, getting up and tossing me a pair of Tom's jeans from a laundry basket on the floor in the corner. She scampered into another room, leaving me flushed and heaving in the kitchen. I quickly changed out of my soiled pants in the downstairs bathroom, managing to somewhat regain my composure before Tom was finally ready to go.

That was probably the most exciting morning of my life, and I could tell neither my best friend nor my wife about it!

All it took for Enid and me to "experiment" with each other was a little gin and a jar of maraschino cherries. We'd been really close friends all through high school, and I always thought she'd be into it, but I guess we were always too shy and confused. But after we graduated and the heat and boredom of summer set in, I knew something was bound to happen between us.

Enid lives alone with her dad, and he's at work all day. We usually hang around watching soaps and eating corn chips. But one week when her dad was away on a business trip, we got a little crazy and found the bottle of hooch in her dad's underwear drawer. I don't know what made her think of the cherries in the fridge, but I didn't ask any questions. She brought them into the living room and started dipping them in the liquor and feeding them to me. I had never seen her act that way before, and I liked it. I was really glad she made the first move, too. She leaned in and pressed her lips against mine, and she placed her hand right on my breast!

Her lips felt wet, warm, soft and sweet. I touched her breasts and they felt warm and soft, too, but sort of firm, you know? As the hours passed, we kept kissing and going further and further with each other. By the end of the day, we were naked and lazily fingering each other in her dad's bed. We'd already eaten each other out and came at least three times each. I'm glad we waited, though I'm still pretty confused about it. Does this mean I can't fool around with boys now?

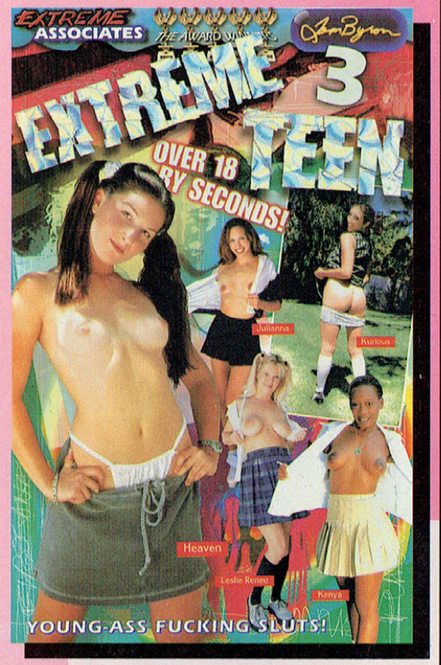
CIRCUS

GIRLS ON FILM



EXTREME TEENS #3

Starring: Kurious, Julianna Sterling, Shayla Heart, Leslie Rene, Kenya Heaven
Directed by: Slain Wayne & Luciano
Available from: Extreme Associates
Running time: 100 minutes
Rating: XXXX

Tom Byron and the gang at Extreme Associates have made their reputation by pushing the envelope and delivering on-the-edge adult entertainment. The label on this cumming of age flick boasts that these girls are "over 18 by seconds," and this claim seems to be pretty darn accurate, if you ask me!

The first of six scenes offers Kurious, a future porn superstar, being picked up by the male lead on her way home from school. He lifts her skirt to show us the flowered cotton panties that cling to her firm, pink ass. As far as porn actresses delivering dialogue goes, Kurious is actually quite good, and when it's time for her to hit her knees, she proves herself to be an awesome cocksucker. There is some hot 69 action, and this guy gives her a mean doggystyle banging before painting her face with his wad.

Leslie Rene is a way-hot blonde who takes her partner on an up-close tour of her inputs. A little puppy watches from the floor while Leslie and her costar do things that he would get sprayed with a hose for doing. There is some great anal footage here which warrants a replay, and a nice, hot facial to cap it off.

Two men catch Julianna Sterling ditching school, but before they turn her in, they talk her into a threesome. Sterling caresses one guy's balls with her tongue while man number two fills her ass with his meatpole. They bang in a variety of positions and the camera sneaks in for some inviting close-ups. The scene ends with Sterling's cum-filled face before the lens, and we're told she's a "bad girl."

Short, action-packed scenes and the hot female talent in the Exteme Associates stable make this a must-see flick. You'll really dig these pigtailed cuties dressed in schoolgirl uniforms!◆

YOUNG AND ANAL #17

Starring: Ginger, Mirage, Anastasia Blue, Gea, Dave Hardman, Jack Hammer, Rod Fontana
Directed by: Jim Powres
Available from: JM Productions
Running time: 90 minutes
Rating: XXX

Very young, tight pussy plus untried ass is the basic theme of Jim Powers' Young & Anal series. This edition features mostly new, very young girls. Some of them are pretty, all give accomplished head, and (most importantly) they're willing and eager to test their anal prowess with older, more experienced men.

The emphasis stays on sex. Set-ups are quick: the chicks get right down, starting with an exemplary blowjob that segues into pussy and asshole priming. A rigorous pussy-fucking workout follows, incorporating some difficult positions and then, the piece de resistance, which is, of course, a thorough reaming of the near-virginal girl's ass. Moans of pleasure are the sole sound effects, including the occasional squeal or two.

Mirage, the first chick, has terrific natural tits and is gently probed and introduced into the anal experience by the hairy-wristed Hartman, who promises her that the discomfort she feels will soon "go away." A cute crybaby blonde, who looks like Buffy from that 70's tv show *Family Affair*, is quickly seduced by Jay Ashley. A little brunette in pigtails (the girls are deliberately dressed in plaid school jumpers and white blouses with Peter Pan collars) promises Jack Hammer she'll do anything if he does her a favor. "You can't tell my dad," she says as he crams his prick into her mouth. The chick even felches him, her tongue crawling up his ass.

Young & Anal 17 is a raw, hot, dirty flick that will appeal to lots of horny, older guys who have a fetish for very anal and very young stuff. Of course, the "stepfather" bits are gonna get the director into trouble.◆

A Moment with Tracy

As I tour the country seeking out lovely college-aged women to pose and answer questions for this fine publication, I'm continually amazed by the stories I hear about these ladies' sexual awakenings. Just when I thought I'd heard it all, I come across a new story that changes my view of female sexuality.

Take the prototypical all-girls' college, for example. I've always railed against this kind of institution, with their outmoded and outdated theories about femininity and sexuality. Thankfully, these anachronisms are quickly fading away, and there are only relatively a handful of these still around.

I never would have credited an all-women's school with anything—until recently, that is. Having met the winning Tracy has changed that view a bit. Tracy's story, which you'll read below, is a lovely tale of a young woman making lemonade from lemons. Sure, the spinsters who operate this place would never dream of letting a man get close to this hot young thing, but thanks to her and a mischievous friend, no man is necessary for them to experience some wild and wet times together. To wit...

Chuck: Tracy, you don't look old enough to be in college. You're not one of those prodigies that matriculated early, are you?
Tracy: No, I just look really young—everyone tells me that! It's a real pain in the butt. I want to be treated like a woman, not a little girl.

I bet you do. Do you have to compensate for looking young?
Yeah, all the time. Like with my roommate, Sue Ellen. When I moved in the first week, she really intimidated me and made me feel young and immature. She's kind of a big girl, and she smokes cigarettes and likes to drink a lot. I felt like she could push me around really easily. So I tried to talk tough, you know, to cover up.

I'm not sure I follow. How did you "talk tough"?
Well, I just, like, made up a bunch of lies and stuff, about how I got into a lot of fights in high school. I also bragged about things I did with guys, which I never really did, you know?

What kinds of things?
Well, I said that I'd "done it" with a bunch of guys. That's only partly a lie, though. I'd had sex with my high school sweetheart Jody, but that was it. I made up the other guys, and said I'd done all sorts of dirty and nasty things with them.

Could you please be more specific?
Well, I'd heard my older sister talk with her friends about stuff they did that I'd never tried, like suck on a guy's dick or let him, well, you know. . .

I'm afraid I don't.
(whispering) Let them have sex up the butt!

You told her you did that?
Yes, and for a while, she seemed like she believed me, and I thought I was all in the clear. But then I found out it was all an act.

What happened?
Well, usually Sue Ellen was out partying with her sorority sisters on Friday nights, but this one night, she wasn't. She was just lying around on her bed and bugging me, even though she knew I was trying to study! She was all like, "Tell me about the things you did with those guys again." I tried to blow her off, but she wouldn't have it. Eventually I broke down and told her again, but this time it didn't look like she believed me as much. "I don't think you've ever sucked a guy's dick before," she challenged. When I insisted I had, she pulled out this long, big, rubber thing that looked like a huge penis, and said, "Show me how you do it if you're such a pro."

What did you do?
What could I do? I faked it as best I could. It felt really weird, you know, because I'd never really done it before. But after I started, I was surprised at how

by Chuck Crimson

natural it felt. I was really enjoying myself, almost like it was a real guy. "That was okay," Sue Ellen said. "But I'm not convinced. Tell me, do you get wet in your pussy when you do that?" I think I blushed because I thought I'd been found out, but the funny thing was I had gotten really wet down there just from sucking that big, fat dick! When I said that I was, she said, "I don't believe you. You'd better show me." I was so defensive that I did as she said. I pulled my pants down and pushed my panties to the side. My little pussy hole was so wet that the hair around it glistened. She looked at it for a long time, and then she took the rubber dildo and started rubbing it up against me.

Wow. What did you think about that?
I didn't know what to think, but it felt really good! Jody had never touched me much—he'd just shove it in there and pound away. This felt completely different and I loved it. She teased my damp, hairy snatch with the dildo and then slipped it into me. I didn't think it would fit at first because it was so fat, but I just opened up and took it all inside. I thought she was going to keep doing me with the rubber dong until I got off, but suddenly she took it out. When I looked surprised, she gave me this evil grin. "Why are you so shocked? I'm just going to give it to you where you say you like it most—in your tight, little asshole!"

Whoa! Busted!
Tell me about it! What could I do but let her do it? I pulled my panties off and got on all fours. I was really nervous because, for all my tough talk, I'd never done anything down there. But the dildo was so wet and slippery that it wet my little hole up real nice, and when she pressed it against me, it popped right in. It felt like I was being stretched apart, but after a second I realized that it felt good getting it this other way. Suddenly I wished I hadn't made up all those stories—I wished I really had offered up

my ass to all those guys! Sue Ellen was really getting into it, saying really dirty things like, "Take it in your poophole, Tracy! Suck that cock into your ass!" She kept pumping it in and out of me like crazy, and I was pushing my hips back against the rubber cock, trying to get it further and further upmy ass. Soon I was yelling things too, like, "Fuck my virgin shithole! Fuck it hard!" I knew I was giving myself away, but the sensation of that huge prong in my pooper was driving me wild. I buried my fingers in my pussy and rubbed my clit until I had this huge orgasm. I was creaming all over my fingers and clamping my sphincter around the fake dick so hard that Sue Ellen couldn't even move it.

Holy shit, that was really fucking hot.
It was? Oh, you're so sweet! You're just saying that.

Say, you wouldn't happen to be doing anything later, would you?
You bet! I'm going back to my room to spend some more time with Sue Ellen and her rubber cock. Bye!◆

"She kept pumping it in and out of me like crazy, and I was pushing my hips back against the rubber cock, trying to get it further and further up my ass!"

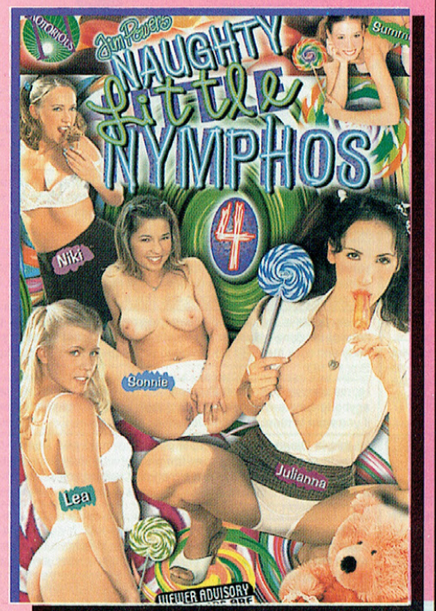
GIRLS ON FILM



NAUGHTY LITTLE NYMPHOS 4

Starring: Lea De Mae, Sonnie Daye, Summer, Juliana Sterling, Niki Moore, Guisseppe, Steve Taylor, Damien Michael, Dave Hardman
Directed by: none credited
Available from: Notorious Productions
Running time: 90 minutes
Rating: XXX

There are four differently titled vignettes in this latest Notorious fuck-flick. Each features lots of sweaty, nasty sex and a crop of nubile nymphettes that are more than eager to get the copulation rolling. All the pussies are completely shaven, and not one anus is left untainted. In "Where The Wild Things Fuck," Lea De Mae is sent to her room without supper. Her imagination leads her to some sticky situations. She gets confronted by two horny penises wearing nutty "monster" costumes. Lea's a cute, pristine, little blonde with a hot body—which she places willingly at the disposal of the two furry phalli. She throws a mean double-hummer and, at one point, rides one hard cock rectally while slurping on the other. A very nice touch, indeed.

Sonnie Daye lounging out by the pool in a skimpy pink bikini is enough to cause an instant, raging hard-on in any man's shorts. She's got a great set of fleshy chest-pillows and a meaty melt-in-your-mouth ass. It seems an older man has the hots for her, and he makes no bones about it. After everyone is asleep, he sneaks into her room, paws her knobs and jackhammers her purple snatch-lips. He gives this fresh, little screamer an anal invasion she won't soon forget. And neither will we.

Uh-oh, it looks like Juliana Sterling's way-cool boyfriend is cheating on her with pierced-nipple Summer. Summer is a real fucking slut. She blindfolds the dude and engulfs his shaft in her warm, wet and very eager mouth. Rather than get angry, Juliana joins them in an All-American menage-a-trois that will cause your balls to start smoldering. The trio kick off the action with a furious daisy-chain, and before long their respective mugs are dripping with molten cum.

Niki Moore is outstanding in the final outdoor segment. She knows how to fellate—it's like second-nature to her. Her stud wipes his sloppy cock onto her jugs and face, and ravages her ass. He rewards her with a jetstream of jizz across the entire length of her torso.◆

The scientifically designed pheromone-based fragrance provides you with one of the most precious and powerful forces of nature. Lure is working for you.

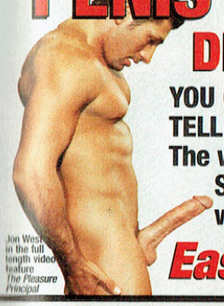
PENIS ENLARGEMENT UP TO 12 INCHES

DR. BROSS COMPLETE PROFESSIONAL SYSTEMS



Jon West in the full length video feature The Pleasure Principal

YOU CAN HAVE A LONGER, THICKER AND HARDER PENIS NOW! OUR CUSTOMERS TELL US 9 INCHES...10 INCHES...EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

BEFORE

AFTER

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock. I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

BEFORE

AFTER

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

Down, boy! Sit. Sit, I say! No, you can't have more. Well...ok. You can have more, but not yet. Remember, patience is a virtue. And besides, isn't it always worth the wait? Just think of all those beautiful girls blossoming into women right before your very eyes. Oh, and those zany coeds who still like to "show and tell." More confessions, you cry! Be still; there will be more of those too. All you have to do is behave.
